COMMUNICATION

Dear Sir:

The updated Filing Receipt mailed out by the USPTO on May 22, 2002 in the above case indicated a projected publication date of August 29, 2002. As of October 29, 2002, the application does not appear to have been published. PAIR indicates that the application was complete on May 22, 2002 and that the case was docketed to the examiner in the Group Art Unit on July 16, 2002. Is there a problem with the file? Is there a new projected Publication Date?

Respectfully submitted,

Philip E. Hansen
